**UEFA Anti-Doping Programme**

1. **Education and Information**
   - **Education Sessions**
     - Education sessions for players, team doctors and coaches at youth tournaments: U-19, WU-19, U-17, WU-17 and Youth League
     - 30 minute sessions with each team
     - Simultaneous interpretation
     - 44 teams = approx. 1,100 players and staff
     - Outreach activities with young players

2. **Testing**
   - In-competition testing across all UEFA competitions
   - Out-of-competition testing in UEFA Champions League and in UEFA Europa League
   - Athlete Biological Passport
   - Athlete Passport Management Unit of Lausanne AD Laboratory provides independent expert advice and analysis of all passports
   - 32 collaboration agreements with NADOs (information sharing & intelligent testing)
   - All samples from UEFA Champions League, Europa League, European Championships and Super Cup stored for potential future re-analysis
   - Reanalysis of 76 samples from EURO 2012 players who competed at FIFA World Cup 2018. All results negative

3. **Doping Control Officers (DCOs)**
   - Doping controls are confidential - clubs, FAs & UEFA officials not informed in advance
   - UEFA panel of 55 DCOs (male and female) from 29 countries
   - All DCOs undergo comprehensive training and assessment to be accepted on the UEFA DCO panel
   - DCOs undergo a yearly practical and written assessment to be re-accredited as a UEFA DCO
   - All DCOs are audited by experienced DCO auditors over a 4-year cycle

**THERAPEUTIC USE EXEMPTIONS (TUEs) 2017/18**
- TUE Committee (3 medical doctors with different specialisms) + external experts
- Accepted: 35
- Recognised: 6
- Refused: 2

**IN-COMPETITION TESTING 2017/18**
- UEFA Champions League - 518 samples collected
- UEFA Europa League - 633 samples collected
- Other competitions (women, youth, futsal) - 754 samples collected
- 3 cases sanctioned:
  - Octopamine (specified stimulant): player sanctioned for 8 months
  - Methylphenidate (specified stimulant): warning
  - Prednisone and prednisolone (glucocorticoid): 2 years

**OUT-OF-COMPETITION TESTING 2017/18**
- UEFA Champions League - 803 samples collected
- UEFA Europa League - 82 samples collected
- Other competitions - 10 samples collected
- No positive cases

**EPO/ESA ANALYSIS 2017/18**
- 613 in-competition
- 895 out-of-competition
- No positive case

**PAPERLESS DOPING CONTROL FORMS**
- UEFA developed paperless doping control forms that were designed specifically for iPads.
- The platform was developed for in and out-of-competition testands was designed to support more than one DCO on the same mission.
